Dear Ms. Markham,

The ROA Department of Northwest is submitting the nomination of Lt Col Judy Ford (Ret.) as a candidate for ROA Air Force Section, National Executive Committeeman.

Judy became a member of ROA in 1989. She has been active in ROA at the Chapter, State and National level since 1991 in Washinton, North Carolina, and Nationally. She has held a variety of offices at the Chapter and Department positions in Washington and North Carolina. This includes chapter secretary and president, department Air Force VP and president in Washington as well as North Carolina department treasurer. At the National Level, she was chairman of the Jr. Officer Committee, member of the Health Services Committee, and most recently, EXCOM AF Committeeman.

As an EXCOM member, she provided a member focused, non-business perspective to the organization.

Respectfully,
