# **Paid Military Leave for Public Employees in North Dakota**

By CAPT Samuel F. Wright, JAGC, USN (Ret.)<sup>2</sup>

1.18: USERRA and Other Laws

2.0: Paid Leave

The North Dakota Century Code, Section 37-01-25 provides employees of the state and its political subdivisions with 20 work days of paid military leave each calendar year:

All officers and employees of this state or of a political subdivision thereof who:

1. Are members of the national guard;
2. Are members of the armed forces reserve of the United States of America;
3. Shall be subject to call in the federal service by the president of the United States; or
4. Shall volunteer for such service,

<sup>1</sup> I invite the reader's attention to [www.roa.org/lawcenter](http://www.roa.org/lawcenter). You will find approximately 1500 "Law Review" articles about the Uniformed Services Employment and Reemployment Rights Act (USERRA) and other laws that are especially pertinent to those who serve our country, along with a detailed Subject Index, to facilitate finding articles about very specific topics. The Reserve Officers Association (ROA) initiated this column in 1997. I am the author of about 1300 of the articles. In our "state laws" section, we have an article for each state about the state laws that grant paid military leave and other benefits, over and above USERRA, to employees of the state and (often) to employees of the state's political subdivisions.

<sup>2</sup> BA 1973 Northwestern University, JD (law degree) 1976 University of Houston, LLM (advanced law degree) 1980 Georgetown University. I served in the Navy and Navy Reserve as a Judge Advocate General's Corps officer and retired in 2007. I am a life member of ROA. I have dealt with the Uniformed Services Employment and Reemployment Rights Act (USERRA) and the Veterans' Reemployment Rights Act (VRRA—the 1940 version of the federal reemployment statute) for 35 years. I developed the interest and expertise in this law during the decade (1982-92) that I worked for the United States Department of Labor (DOL) as an attorney. Together with one other DOL attorney (Susan M. Webman), I largely drafted the proposed VRRA rewrite that President George H.W. Bush presented to Congress, as his proposal, in February 1991. On 10/13/1994, President Bill Clinton signed into law USERRA, Public Law 103-353, 108 Stat. 3162. The version of USERRA that President Clinton signed in 1994 was 85% the same as the Webman-Wright draft. USERRA is codified in title 38 of the United States Code at sections 4301 through 4335 (38 U.S.C. 4301-35). I have also dealt with the VRRA and USERRA as a judge advocate in the Navy and Navy Reserve, as an attorney for the Department of Defense (DOD) organization called Employer Support of the Guard and Reserve (ESGR), as an attorney for the United States Office of Special Counsel (OSC), as an attorney in private practice, and as the Director of the Service Members Law Center (SMLC), as a full-time employee of ROA, for six years (2009-15). Please see Law Review 15052 (June 2015), concerning the accomplishments of the SMLC. My paid employment with ROA ended 5/31/2015, but I have continued the work of the SMLC as a volunteer. You can reach me by e-mail at [SWright@roa.org](mailto:SWright@roa.org) or by telephone at 800-809-9448, ext. 730. I will provide up to one hour of information without charge. If you need more than that, I will charge a very reasonable hourly rate. If you need a lawyer, I can suggest several well-qualified USERRA lawyers.

when ordered by proper authority to active noncivilian employment, are entitled to a leave of absence from such civil service for the period of such active service without loss of status or efficiency rating. If such persons have been in the continuous employ of the state or political subdivision for ninety days immediately preceding the leave of absence, they shall receive twenty workdays each calendar year without loss of pay. In addition, any leave of absence necessitated by a full or partial mobilization of the reserve and national guard forces of the United States of America, or emergency state active duty, must be without loss of pay for the first thirty days thereof less any other paid leave of absence which may have been granted during the calendar year pursuant to this section. However, if leave is required for weekend, daily, or hourly periods of drill for military training on a day in which a public officer or employee is scheduled to perform the work of the state or of a political subdivision, the officer or employee must be given the option of time off with a concurrent loss of pay for the period missed or must be given an opportunity to reschedule the workperiod so that the reserve or national guard weekend, daily, or hourly drill or period of training occurs during time off from work without loss of status or efficiency rating.<sup>3</sup>

We do our best to keep these state law articles up-to-date and provide the most relevant sections of the applicable statute for you to review. Nonetheless, we still recommend you consult the most recent version of the law to make sure nothing has changed from what we discussed in this article. You can find a public version of the entirety of the North Dakota Century Code for yourself online, for free, at <https://ndlegis.gov/general-information/north-dakota-century-code/index.html>. This article is one of 2,300-plus “Law Review” articles available at [www.roa.org/lawcenter](http://www.roa.org/lawcenter). The Reserve Officers Association, now doing business as the Reserve Organization of America (ROA), initiated this column in 1997. New articles are added each month.

ROA is more than a century old—it was established on 10/1/1922 by a group of veterans of “The Great War,” as World War I was then known. One of those veterans was Captain Harry S. Truman. As President, in 1950, he signed our congressional charter. Under that charter, our mission is to advocate for the implementation of policies that provide for adequate national security. For almost a century, we have argued that the Reserve Components, including the National Guard, are a cost-effective way to meet our nation’s defense needs.

<sup>3</sup> N.D. CENT. CODE § 37-01-25 (2022).

Through these articles, and by other means, including amicus curiae (“friend of the court”) briefs that we file in the Supreme Court and other courts, we educate service members, military spouses, attorneys, judges, employers, DOL investigators, ESGR volunteers, congressional and state legislative staffers, and others about the legal rights of service members and about how to exercise and enforce those rights. We provide information to service members, without regard to whether they are members of ROA, but please understand that ROA members, through their dues and contributions, pay the costs of providing this service and all the other great services that ROA provides.

If you are now serving or have ever served in any one of our nation’s eight<sup>4</sup> uniformed services, you are eligible for membership in ROA, and a one-year membership only costs \$20 or \$450 for a life membership. Enlisted personnel as well as officers are eligible for full membership, and eligibility applies to those who are serving or have served in the Active Component, the National Guard, or the Reserve. If you are eligible for ROA membership, please join. You can join on-line at [www.roa.org](http://www.roa.org) or call ROA at 800-809-9448.

If you are not eligible to join, please contribute financially, to help us keep up and expand this effort on behalf of those who serve. Please mail us a contribution to:
