

*Department of  
New Jersey*

July 17, 2025

Ms. Diane Markham  
Director, Administration  
ROA Headquarters  
1 Constitution Ave., NE  
Washington, DC 2002-5655

Dear Ms. Markham:

It is with great pleasure that the Department of New Jersey endorses CAPT Richard E. Neiman, Jr., USCG (Ret), to serve as Executive Committeeman (Coast Guard/USPHS/NOAA), Naval Services section.

Through holding many leadership and principal positions, CAPT Neiman's extensive involvement with ROA at the National and Department levels has made him extraordinarily qualified to serve in this position. He currently holds a leadership position as ROA National Council Vice-Chair and has been instrumental in directing and being in the front of National Council initiatives. Being a resident of Washington, DC has further enabled CAPT Neiman readily access to activities at the ROA National Headquarters. For these reasons and many more that can be highlighted in his distinguished military and civilian careers, the Department of New Jersey proudly submits this endorsement.

Should you have any questions on this matter or require any additional information, please contact me at your convenience at [mwilljr@aol.com](mailto:mwilljr@aol.com).
