Ms. Diane Markham, Director of Administration
ROA Headquarters, 1 Constitution Ave., NE, Washington D.C. 20002-5655

Dear Ms. Markham,

The Department of Texas is proud to endorse CAPT Sam Wright, US Navy (Ret.) for Executive Committeeman, Sea Service Section. He is a retired Navy JAG Corps officer.

CAPT Wright has been a member of the ROA Department of Texas since 1982. He served for many years as the Director of the ROA Law Center and is an acknowledged expert for military members having issues with reinstatement rights with employers. He is currently working as a FEMA lawyer reservist in Kentucky.

His professional experience and leadership skills make him an excellent candidate for re-election as Executive Committeeman, Sea Service Section.

Thank you.
