ADVOCATING AT THE STATE LEVEL

James Bauerle, Indiana

ADVOCATING AT THE STATE LEVEL

ORGANIZE

Form a Coalition of organizations that support our military, veterans, and their families.

- Navy League
- AMVETS
- Fed Employ
- Marine League
- local vet homeless group
- One Source
- University Vet groups
- ROA
- DAV
- American Legion
- MOAA
- VFW
- ESGR
- County VSO

HOW TO ORGANIZE

- Have Bylaws (handout)
- Meet regularly (monthly/as needed)
 - ❖ use Zoom & in-person
 - ❖ Publish agenda & minutes (send to all members and government stakeholders like your state Vet Affairs Agency)
- No dues– need money then “pass the hat”
- Have Website (see www.inmilvetcoal.org)
- Produce annual Legislative agenda & flyer (handouts)
- Seek more organizations & individuals to join (handout)

HOW TO ADVOCATE

1st build your agenda item

- Look at state code that should be on your state government website.
- Note the code number and copy the text of the code.
- Develop a brief title and scope document.
- Research web for any info about the topic you want to change. Use this as part of your rationale.

HOW TO ADVOCATE

2nd Present and get “buy in” from the majority

- Not all may agree with agenda item. That’s OK. If they want to “officially” oppose and are in the minority, advocates will ID to legislators.

3rd Select target legislators to “author” your bill.

- Research to find legislators who may have an interest or who serve on the committee this action will likely be heard. The state.GOV website usually lists all legislators, their bio, committee assignments, party, and past bill they have authored or sponsored.

HOW TO ADVOCATE

4th Contact target legislator.

- Email to legislator and copy to the legislative assistant (LA)(not press rep). Copy yourself for reference and follow up.
- LAs information can also be found on the .GOV website. Note their phone number and email for follow up.
- Ask on behalf of the state military, veterans, and their families for your agenda item to be “authored”.
- Offer to meet in person, Zoom, or on a call. I offer to meet at the state capital, or in their district as well as Zoom.

HOW TO ADVOCATE

5th Follow up in about 2 weeks.

- Send follow up email, and call LA for status weekly after 2 weeks.

6th Ask to see the “preliminary draft of the bill” so you can confirm it is what you want.

- Sometimes the Legislative Support Entity doesn’t understand and may omit part of your target i.e., the Reserve. They think that everyone is in the Guard or is Active.

HOW TO ADVOCATE

7th The Billing Process

- The legislator must file the bill.
- Then the bill gets a number.
- Then the bill is assigned to a committee.
- The Committee Chairman schedules the bill for a hearing date.

HOW TO ADVOCATE

8th Whipping for your bill

- Now you need to contact the Chairman of the committee to meet and promote your bill. His/her “buy in” will go a long way to success.
- If time, get committee members (especially ranking members of both parties) to “buy in” and support the bill.

HOW TO ADVOCATE

9th Testimony

- Show up at the hearing of your bill in Committee and testify.
- Identify yourself and your organization.
- Thank the Committee Chair for hearing the bill.
- Thank the author of the bill for authoring the bill.
- Use the rationale you developed in your testimony.
- Be brief and to the point.

HOW TO ADVOCATE

10th The other Chamber

- Do step 8 & 9 Again.
